

REMARKS

Claim 10 has been rewritten in independent form. The mere change in form of claim 10 does not constitute an amendment. The change does not raise the issue of new matter. Nor has new matter has been added. The change does not present any new issue requiring further consideration or search. The change does not present any additional claims. The format change of claim 10 simplifies the issues for appeal. Thus, the application is in better condition for appeal.

Fees For Additional Independent Claim

Please charge the fees associated with the submission of one (1) additional independent claim (\$84) and any other fee due to deposit account 09-0428.

Versions With Markings To Show Changes Made

In the Claims

10.(once amended) [The] A method [according to claim 8] comprising:

operating a transaction function device in an automated transaction machine, the
transaction function device having an associated status;

generating at least one first HTML document including first instructions
corresponding to the status of the transaction function device;

accessing the first document with a terminal including a browser, [wherein the
accessing step includes] including accessing the first document through a network
with a terminal located remotely from the automated transaction machine.

Conclusion

The undersigned will be happy to discuss any aspect of the Application by telephone at the Examiner's convenience.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
